HELP CLEAN HISTORIC MARKERS in the TOWN OF SCHUYLER FALLS!

FRIDAY, APRIL 28th - 10 AM – 12 NOON

Meet at Town Hall, 997 Mason St, Morrisonville, between 9:30 -10 AM

VOLUNTEERS NEEDED! All ages welcome - minors with parent/guardian

After a brief introduction and training, we will split up into teams to clean as many markers as possible, in the town of Schuyler Falls. (There are 20!)

Supplies provided, including soap, water, buckets, gloves, portable sprayers, sponges, non-metal scrub brushes, toothbrushes, cloth rags and trash bags. Participants are encouraged to bring similar supplies, if possible, as well as protective eye gear, small step ladder, and grass clippers. Dress for the weather!

If you would like to volunteer but are not available on that Friday, please contact the Historians' Office to schedule a date/time more convenient for you, and receive your marker assignment(s). Participants are also encouraged to register on the National Historic Marker website, at https://www.wgpfoundation.org/national-historic-marker-day/register-to-volunteer-2023/

This event is a part of the Town of Schuyler Falls' 175th Anniversary Celebration, celebrating the town's history from its establishment in 1848.

For more information or questions, contact the Town Hall at 518-563-1129, x8 or x4547 for Town Historian Barb Benkwitt (cell 518-565-6263, historian@schuylerfallsny.com).
